CELEBRATION OF THE INTERNATIONAL DAY OF BIOLOGICAL DIVERSITY

The International Day of Biological Diversity was celebrated on 22/5/2025 at DHSK College, Dibrugarh, with an engaging programme jointly organised by the Department of Botany and the Eco Club, DHSK College. The event aimed to raise awareness about the importance of biodiversity and promote sustainable practices for environmental conservation.

The highlight of the programme was a special talk delivered by Dr. Purnima Saikia, Assistant Professor, Department of Botany, MDKG College, on the theme "*Harmony with Nature and Sustainable Development*". Dr. Saikia emphasised the intrinsic relationship between humans and the natural world, stressing the urgent need for balanced resource use, conservation of ecosystems, and community participation in biodiversity protection. She also highlighted the relevance of traditional ecological knowledge in achieving sustainability goals.

Faculty members and students actively participated in the event. The session encouraged thought-provoking discussions, with students raising questions on environmental challenges and possible solutions at both local and global scales.

In her closing remarks, the Head of the Department of Botany, Ms Dinalisha Bora expressed gratitude to Dr. Purnima Saikia for her insightful lecture and to all participants for their enthusiastic involvement. The celebration successfully reinforced the importance of biodiversity conservation as an essential pillar for sustainable development and ecological harmony.
