The Department of Anthropology, DHSK College (Autonomous), organized a Parents' Meet for its undergraduate students on September 26, 2026. The meeting aimed to foster a collaborative partnership between parents and faculty to support the academic growth, discipline, and holistic development of the students. Total no. of Guardians present: 22 along with more than 30 students.

Event Agenda & Proceedings

1. Inaugural Session & Welcome Address

- **Coordinator:** Dr. Nitumoni Saikia (Associate Professor) coordinated the proceedings of the meet, setting a structured and warm tone for the session.
- **Welcome Address & Objective:** Dr. Sunanda Sahu, Associate Professor & Head of the Department (HOD), delivered the welcome address. Dr. Sahu highlighted the primary objective of the meeting—to establish open communication between the department and parents regarding students' academic progress and institutional expectations.

2. Departmental Overview & Value of Engagement

- **Introduction to the Department:** Dr. Moromi Talukdar (Associate Professor) presented a brief overview of the Department of Anthropology, highlighting its academic structure, facilities, co-curricular activities, and learning outcomes for undergraduate students.
- **About Students Behaviour & Parental role :** Dr. Bhaskar Das addressed the gathering on the significance of parental involvement in higher education, emphasizing how joint monitoring by parents and teachers ensures student accountability and well-being.

3. Interactive Session

- **Self-Introduction by Parents:** Parents actively participated by introducing themselves, sharing their expectations, and expressing their appreciation for the department's initiative.
- **One-to-One Interaction & Script Evaluation:** A dedicated individual interaction session was held between the faculty members and parents. During this session:
 - Faculty shared the **1st Sessional Examination answer scripts** with the respective parents to provide transparent feedback on academic performance.
 - The **attendance records** were reviewed to address regularity and punctuality in classes.
 - Individual student strengths and areas needing improvement were discussed constructively.

Key Outcomes & Feedback

- **Academic Transparency:** Parents gained clear insights into their wards' academic performance and attendance discipline.
- **Strengthened Collaboration:** The meet established a mutual agreement between parents and faculty to closely monitor students' academic progress throughout the semester.
- **Positive Parent Response:** Parents appreciated the department's efforts in sharing S
- Sessional answer scripts and keeping them informed about attendance trends.

Conclusion

The Parents' Meet concluded successfully with a vote of thanks from the department. The meeting reinforced the commitment of the Department of Anthropology, DHSK College (A), toward maintaining academic excellence and nurturing student growth through continuous institutional and parental support.
