

Faculty Exchange Programme Report

Date of Programme: 08/02/2021

A Faculty Exchange Programme was organised by the Department of Botany in association with Department of Statistics, DHSK College, in which Dr. Nazimuddin Ahmed, Assistant Professor of Department of Statistics delivered a lecture on the topic "Test of significance". The programme was conducted on 8th February, 2021. The program was organised for the 5th semester students of the Botany Department. 29 students attended the programme. The aim of the programme was to introduce to the students the practical approach of statistics. In his lecture Dr. Ahmed gave more emphasis on the practical application of test of significance in relevance to the biological research field. The enjoyable session was concluded with the vote of thanks delivered by Dr. Alakananda Baruah.
