

Report on one day workshop on BIO-INSTRUMENTATION

A One Day Workshop Bioinstrumentation was conducted by the Department of Botany, DHSK College on 10th November, 2022. The session was marked by the presence of Resource Person Dr. Kaushal Sood, Assistant Professor in the Department of Zoology, Tinsukia College. The workshop is organized in accordance with the MoU signed between the Department of Botany, DHSK College and Department of Zoology, Tinsukia College. This workshop provided both technical and practical understanding of bio instrumentation. 40 students participated in the workshop.
